Celebrating Contemporary Tribal Imagination

**Aug 01-31**

**Art • Culture • Design • Films • Music • Technology**

*31 days of online showcase of contemporary tribal imagination through interactive sessions with professionals from tribes of India.*

For more details, visit  
[www.tribaldesignforum.com](http://www.tribaldesignforum.com)

*The month-long online showcase has been conceptualised and curated by designers and professionals from tribes of India to present the contemporary reality of Tribes in Transition, when the world celebrates the International Day of the World's Indigenous Peoples on August 9.*
